

Control No. 461518
12 March 1957

Mr. R. E. Simpson
Director
Office of Economic Affairs
Department of Commerce
Room 3897 - Commerce Bldg.
Washington 25, D. C.

Dear Mr. Simpson:

Thank you for your letter of March 7 informing us of the change in Mr. Mauldin's duties. We have noted in our records that he is no longer to represent Commerce in any EIC activities.

Although it is important for the EIC Secretariat to be informed of these various changes, there can actually be no question as to whether or not they are "satisfactory" to us—since it is wholly within the province of the participating agencies to designate whenever they see fit, subject to the necessary security clearances. For this reason we do not ordinarily consider it necessary to acknowledge each change in designation, unless there is some special need for it on your part.

Sincerely yours,

OSCAR B. PANCOAST, JR.
Executive Secretary

Dear Dr. Pancoast:

This is to advise you of the designation of an alternate Department of Commerce member to the Economic Intelligence Committee. This position has been vacant since the resignation of Mr. Edward Denison of the Office of Business Economics.

I am appointing as the alternate Commerce representative on the Economic Intelligence Committee Mr. George T. Elliman, Advisor on Foreign Activities, Business and Defense Services Administration, Department of Commerce, Room 4839, Commerce Building (telephone: code 164, extension 3048).

I would appreciate an acknowledgment from you indicating that this appointment is satisfactory to you.

A letter will be directed to you by our Security Officer, indicating that Mr. Elliman has the necessary security clearance.
